

## REMARKS

At the time the Final Office Action issued, claims 1 to 31 were pending. Responsive to an Election/Restriction made in the Office Action mailed 1 November 2005, Attorney respectfully elects – without traverse – claims 1 to 19, as identified in Numbered paragraph under sub. I in the Office Action.

New claims 32 to 40 have been added.

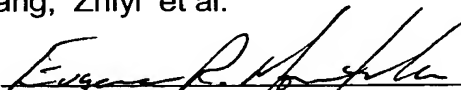

Of these, Claim 32 is based on the last line of paragraph [0048] of the specification.

Claim 33 is based on previously presented Claim 20, rewritten in a form dependent on Claim 1 to ensure that the restriction requirement of the Office Action is met. This is also the case for new Claims 34 to 40, as each ultimately depends on new Claim 33. New Claims 34 to 40 have been based on subject matter previously presented in Claims 21 to 27.

Respectfully submitted,

Zhang, Zhiyi et al.
